David Bowman serves as the Director, Community Nutrition Programs within the Delaware State Department of Education. This includes fiscal and administrative responsibility for the operation of the Child and Adult Care Food Program and the Summer Food Service Program which is ranked 6th nationally in the latest FRAC Report. David also coordinates the development and delivery of nutrition education to child care and summer nutrition program partners throughout the state. Prior to coming to Delaware David worked for the New Jersey State Department of Education as a manager of child nutrition programs.

David received a joint graduate degree in public administration and public health from Rutgers University. He has served with a number of state and local groups that focus on child wellness. He chaired the statewide Action for Healthy Kids Coalition, he co-chairs the Delaware Nutrition Action Council and he serves on the state level Diabetes Prevention and Control Coalition. David was also an active partner with the Delaware YMCAs Activate America campaign.
