Michael Fraser, PhD has over 12 years of public health agency and national association experience supporting and serving Federal, state, and local public health agencies. Dr. Fraser is currently the Chief Executive Officer of the Association of Maternal and Child Health Programs in Washington, DC. Dr. Fraser has been CEO of AMCHP since August, 2007. Prior to joining AMCHP, Dr. Fraser was the Deputy Executive Director of the National Association of County and City Health Officials (NACCHO) from 2002 to 2007. Prior to that, he was a Regional Program Manager with the Centers for Disease Control and Prevention (CDC) from 2001 to 2002, and a Senior Staff Fellow at the Health Resources and Services Administration (HRSA) from 2000 to 2001. Prior to HRSA, he was a Senior Research Analyst and Program Manager with NACCHO from 1998 to 2000. Prior to that he was a Research Scientist with Aspen Systems Corporation from 1997 to 1998. Michael Fraser, Ph.D. received his doctorate in sociology from the University of Massachusetts at Amherst in May, 1997 and his M.A. in sociology in 1994. Dr. Fraser received his B.A. in sociology from Oberlin College in 1991.

In 2002, Dr. Fraser received a Distinguished Service Award from Tommy Thompson, Secretary of Health and Human Services for exemplary teamwork, productivity, organization, and scientific excellence demonstrated during the public health emergency response to the World Trade Center and Pentagon terrorist attacks and the anthrax investigation. In 2002, he also received a Certificate of Appreciation from the Centers for Disease Control and Prevention, Office of the Director for participation in the response to the anthrax events of 2001. In 2001, Dr. Fraser a Certificate of Appreciation from the Health Resources and Services Administration, Bureau of Primary Health Care.

Dr. Fraser has published many articles and professional publications on public health infrastructure, public health management, and preparedness.
