Ms. Barbara Hamilton is the Assistant Director of the National Resource Center for Health and Safety in Child Care and Early Education (NRC), housed at the University of Colorado Denver College of Nursing, and funded by the Maternal and Child Health Bureau, Health Resources and Services Administration, U.S. Department of Health and Human Services. She is coordinating the technical expert contributions and editing of the third edition of *Caring for Our Children: National Health and Safety Standards: Guidelines for Out-of-Home Child Care Programs*. Barbara provides information services and resources to those providing and advocating for healthier and safer child care programs such as, child care providers, early education teachers, health care professionals, parents and state licensing professionals and national/state policy makers. She currently serves on the National Association of Regulatory Administration Board as a Member-At-Large. She has been with the NRC since 1996. She holds a Masters in Arts degree from the University of Denver School of Library and Information Management.
